Kopi Kaki Co. - Brand Guide (v3, Oct 2026)

Brand idea

Heritage kopi, modern craft. We bring the kopitiam's warmth to a modern café: Nanyang-roasted beans, slow-brewed, served with a smile. "Kaki" means buddy - every customer is a kopi kaki.

Voice

We are	We are not
Warm, neighbourly, upbeat	Loud, pushy, salesy
Light local flavour ("shiok", "kopi kaki") - max one Singlish word per post	Heavy Singlish or slang that excludes non-locals
Short sentences, sensory words (aroma, smooth, caramel)	Jargon, ALL CAPS, more than 2 emojis per post
Proud of heritage	Mocking other brands or cultures

Visual identity

- Kopi Brown #5B3A29 | Pandan Green #4E8A3E | Condensed-Milk Cream #F6EBD9 | Gula Melaka Amber #C7782A
- Typeface: rounded sans for headlines; logo always on cream or brown, never on busy photos.
- Photography: natural light, hands holding cups, kopitiam tiles, real outlets - no stock models.

Words we love / avoid

- Love: shiok, kopi kaki, slow-brewed, smooth, kopitiam, heritage, craft, share a cup
- Avoid: "healthy", "boosts energy", "cure", "best in Singapore", "cheapest", competitor names
