DESIGN.md - Kopi Kaki visual identity (for HyperFrames)

Mood

Warm, nostalgic-modern, appetising. Kopitiam heritage meets café craft.

Colours

Token	Hex	Use
kopi-brown	#5B3A29	backgrounds, headings
pandan-green	#4E8A3E	accents, CTA buttons
cream	#F6EBD9	light backgrounds, text on brown
gula-amber	#C7782A	highlights, price

Typography

Rounded sans-serif (e.g. Nunito / Quicksand) for headlines, 72-96 px; body 48 px minimum.

Layout

9:16 vertical, 1080x1920. Safe margins 80 px. Max 7 words per text card. Logo bottom-right on cream or brown.

Motion

Gentle: slow push-ins, pour shots, 0.3-0.5 s eases. No flashing.

What NOT to do

- No health claims, no halal claims, no competitor names.
- No faces of real customers. No text over busy photos without a backing panel.
- Max 2 emojis. No ALL CAPS sentences.
