Launch video team contracts

Task	Owner	Input	Output	Blocked by	Acceptance
1 Research	researcher	Approved office pack	research.md	none	Every fact has source
2 Storyboard	scriptwriter	research.md + brand	storyboard.md	1	Human approves scene text
3 Render	producer	approved storyboard	video/final.mp4	2 + human gate	playable 15s, 1080x1920
4 Audit	auditor	actual MP4 + sources	audit-report.md	3	metadata, facts, rights, readability
5 Accept	Human owner	reviewed video	decision-log.md	4	exact file hash + decision

Each worker owns separate output files. A task list describes coordination; inspect actual distinct Hermes profile runs to prove the team ran. Do not publish externally.
