Video QA Checklist (Auditor)

Score each item PASS / FAIL with a one-line reason. Any FAIL → request-changes back to the owner.

#	Check
V1	Hook lands in the first 2 seconds
V2	Match approved duration: Activities 5/8 = 15 s. Always 9:16, 1080×1920
V3	Brand colours and logo (cream or brown background) used correctly
V4	Main on-screen text readable (≥ 48 px), max 7 words per main line; disclosure remains readable
V5	Approved price/date match the brief. If SHIOK20 is used, include all its exact terms; otherwise promo terms are not required
V6	No compliance-rules.md violation (C1-C10)
V7	AI assistance disclosed in caption/description (C9); identify whether voice-over was actually used
V8	Approved call to action visible in the final scene
V9	Local release package includes video path/hash, approved storyboard, description/disclosure, audit evidence and human decision. No external posting
