Compliance & Brand-Safety Rules (the Auditor's checklist)

Use this list to PASS / FAIL every public draft. One FAIL = the draft goes back for changes.

#	Rule	Fail example
C1	No health or medical claims (Singapore advertising code)	"boosts your energy", "healthy choice", "good for digestion"
C2	Prices and promotions exactly match the brief	"SHIOK25", "30% off", "free drink"
C3	Promo terms stated when a code is shown: "valid 1-14 Dec, first app order, one per customer"	Code shown without terms
C4	No halal claim - halal certification is still pending	"halal", "Muslim-friendly"
C5	No comparative or disparaging claims about competitors	"better than Starbucks", "best in Singapore"
C6	No customer personal data (PDPA)	names, phone numbers, emails, faces of customers without consent
C7	Brand voice: max 1 Singlish word, max 2 emojis, no ALL CAPS words	"SUPER SHIOK LAH □□□"
C8	Alcohol-free, kid-safe; no references to alcohol or gambling	"cocktail vibes", "bet you can't…"
C9	AI-generated visuals or voices are disclosed in the caption or description	Undisclosed AI voice-over
C10	Every claim has a source in the brief or product catalogue	"Award-winning" (no award exists)

Escalate to the human immediately for: legal threats, food-safety complaints, allergic reactions, media enquiries, any request for a refund above SGD 20, or anything you are unsure about.
